

**The Ohio State University College of Dentistry
Restorative, Prosthetic, and Primary Care Dentistry
Tenure-Track Assistant or Associate Professor**

The Ohio State University College of Dentistry seeks a **prosthodontist** with interests in computer-based instruction, digital clinical and manufacturing technologies, and clinical evaluation of patient-centered care to apply for a full-time, tenure-track faculty position as an Assistant or Associate Professor, or a tenured associate professor for its Division of Restorative, Prosthetic and Primary Care Dentistry. For tenure appointment, candidates must demonstrate a sustained outstanding record in teaching and research.

The Ohio State University College of Dentistry is the third largest public dental school in the United States, and it is the only public dental school in Ohio. The college is divided into eight divisions or academic units. All major ADA-recognized dental specialties are represented. The primary area of responsibility of this faculty position will be contributing to the didactic and clinical instruction in the predoctoral program. As a dental school committed to the profession, faculty in the division are engaged in externally-funded basic and clinical research.

Applicants must have a D.D.S./D.M.D. degree or equivalent and a certificate of advanced education in prosthodontics from a CODA-accredited program, and be eligible for licensure by the Ohio State Board of Dentistry. Preference is given to those with experience and advanced education in digital technology and clinical evaluation. Other duties include contributing to the overall mission of the Division of Restorative, Prosthetic and Primary Care Dentistry, participating in the school's intramural practice, and contributing to the continuing education program.

Evaluation of applications will begin immediately and continue until the position is filled. Salary and academic rank are commensurate with qualifications. To build a diverse workforce, The Ohio State University encourages applications from individuals with disabilities, minorities, veterans and women. The Ohio State University is an AA/EEO employer. For more information about the college, the division and this position, visit <http://www.dent.osu.edu>.

Applicants should provide a personal statement delineating qualifications and career goals, and will submit a curriculum vitae with three professional references. Application materials or inquiries should be sent electronically to Dr. William M. Johnston, Chair of the Prosthodontic Faculty Search Committee at: Johnston.5@osu.edu.
