I. Gerontology

Chapter 1: Global Demographic Changes, Economics of Health Care and Their Impact on the Practice of Dentistry

Global Demographic Changes.....	1
Demographic Changes in the U.S.A.....	5
Leading Causes of Death Among the Elderly	8
Disability and Disease.....	10
Prevalence of Chronic Conditions Among 65+ Population	12
Utilization of Health Care Services by the Elderly.....	12
Impact of Demographic Changes and Health Status on the Practice of Dentistry	15
Nursing Home Expenditures in the U.S.	16
Health Care Expenditures Worldwide for the Elderly	20
Utilization of Dental Care Services by the Elderly.....	21
Obstacles and Challenges to Providing Adequate Dental Care to the Elderly.....	21
References	27

Chapter 2: Aging Process

Aging.....	29
Aging Theories	30
Stochastic Theories.....	30
Nonstochastic Theories	32
Age-Related Changes and Their Dental and Oral Implications	35
Oral Tissues.....	35
Systems	39
References	47

Chapter 3: Age-Related Sensory, Cognitive, Personality Changes, Social Environment and Their Dental Implications

Age-Related Sensory Changes and Their Dental Implications	49
Vision	49
Hearing	50
Taste.....	50
Smell.....	50
Tactile	50
Age-Related Cognitive Changes and its Dental Implications.....	51
Age-Related Personality and its Dental Implications.....	51
Ageism	53
Alcoholism	56

Loneliness	60
Bereavement.....	60
References	62

Chapter 4: Assessment of Dementia, Depression, Adult Daily Activities and Nutrition in the Elderly Patient

Dementia.....	66
Classification, Signs and Symptoms	67
Differential Diagnosis	69
Medical Management.....	69
Mini-Mental State Questionnaire (Folstein Scale)	73
Depression	74
Description, Signs and Symptoms.....	74
Rating Depression.....	75
Medical Management.....	76
Oral/Dental Implications	76
Preliminary Planning	77
Yesavage and Sheikh Depression Scale	79
Adult Daily Activities	80
ADL and IADL Scales.....	80
MNA Scale.....	85
References	87

Chapter 5: Nursing Homes and Other Long-Term Care Facilities

Assessment of Need for Institutional Placement.....	89
Nursing Homes in the USA	93
Financial Aspects	93
Payment Mechanism	94
Level of Care	95
Nursing Home Services Required for Federal Certification	96
Hospitalization of Nursing Home Residents	99
Board and Care Facilities	102
Assisted-Living Programs.....	103
Life Care Communities.....	104
State of Oral Health Care in Long-Term Care Facilities	105
Role of Nursing Staff in Maintaining Proper Oral Health Care of Residents.....	113
Chart Organization List.....	118
Reading the Nursing Home Chart	121
Nursing Home Chart.....	125
References	155

II. Geriatric Dentistry

Chapter 6: Common Systemic Conditions Affecting the Elderly and Their Oral Health Implications

Cardiovascular Disease	157
Cerebrovascular Disease.....	163
Cancer.....	166
Endocrine Disease.....	169
Neurological Disease.....	174
Liver Disease	182
Orthopedic Disease.....	185
Hematological Disease.....	192
Renal Disease	198

Chapter 7: Medications Commonly Used by Elderly Dental Patients and Their Adverse Reactions

Medication Use by the Elderly	200
Commonly Prescribed Drugs for the Geriatric Patient.....	200
Oral Side-Effects of Medications	213
Physiology of the Elderly and Adverse Drug Reactions	220
Drug-Disease Interactions in the Elderly	221
Effect of Aging on Drug Response	224
References	226

Chapter 8: Physical Evaluation, Diagnosis and Management of Oral Conditions In the Elderly Patient

Physical Evaluation of the Elderly Patient.....	229
Examination of the Head and Neck	229
Diagnosis and Management of Common Oral Conditions in the Elderly Patient ..	230
Periodontal Diseases.....	230
Dental Caries.....	231
Ulcerative Lesions of the Oral Mucosa.....	232
Inflammatory Conditions of the Oral Mucosa	236
Oral Candidiasis	237
Host Factors Predisposing to Oral Candidiasis.....	237
Classification	238
Diagnostic Criteria	238
Treatment Options	239
Management.....	241
Burning Mouth Syndrome (Glossopyrosis, Stomatopyrosis)	246
Salivary Gland Dysfunction and Xerostomia (Dry Mouth)	249
Vesiculobullous Lesions of the Oral Mucosa	251

Leukoplakic Lesions of the Skin and Oral Mucosa.....	254
Neoplasms of the Oral Mucosa.....	254
Pigmented Lesions of the Oral Mucosa	255
Conditions Affecting the Tongue	256
Aids and Aids-Related Conditions in the Elderly Patient	258
Aging and Immune System.....	259
Transmission of Infection	260
Clinical Manifestation	261
Treatment.....	263
Prescriptions for Patients with Oral Complications of HIV Infections.....	264
References	269

Chapter 9: Oral and Dental Treatment Planning of the Elderly Patient

SOAP System for Evaluation	274
OSCAR System for Treatment Planning	276
Overview on Physical Evaluation.....	276
Surgical Considerations in Treatment Planning	281
Restorative Considerations in Treatment Planning	321
Endodontic Considerations in Treatment Planning.....	328
Periodontal Considerations in Treatment Planning	331
Prosthodontic Considerations in Treatment Planning	340
Overview.....	340
Oral Health Conditions in Complete Denture Wearers	348
Oral Health Conditions in Partial Denture Wearers	350
Implants as an Option in Treatment Planning	353
References	358

Chapter 10: Dental Material Options in the Treatment of the Elderly Patient

Restorative Dental Materials.....	366
Glass Ionomer	367
Composite.....	367
Compomer.....	368
Resin-bonded Glass Ionomer.....	368
Prosthetic Dental Materials.....	368
References	370

Chapter 11: Nutrition and the Elderly Dental Patient

Overview.....	371
Protein-Energy Undernutrition	372
Marasmus.....	372
Kwashiorkor	372
Vitamin Deficiencies.....	375

Trace Mineral Deficiencies	377
Determine Your Patient's Nutritional and Oral Health	379
Protocol for Oral Health and Nutritional Interventions in the Elderly	380
References	381

Chapter 12: Delivering Dental Treatment to the Elderly in a Non-traditional Setting

Nursing Home Settings.....	383
Funding and Financing a Portable Setting	384
Mobile Dental Care	385
Advantages and Disadvantages of Mobile Dental Care.....	386
Health and Safety	388
Dental Care in Nursing Homes: Guidelines for Mobile and On-Site Care.....	388
Nursing Home Rules.....	390
Nursing Home Requirements	392
Indicators of Quality Daily Oral Care.....	393
Indicators of Quality and Emergency Dental Care.....	394
Dental Services Agreement Outline	396
Oral Care Procedures	397
Summary of Oral Care in the Dependent Patient	398
Standard of Care for Oral Health in Nursing Homes.....	398
Nursing Standards for Oral Health in Nursing Homes	400
Recommendation to Develop Local Standards for Oral Health in Residential and Nursing Homes.....	401
List of Some Companies That Provide Portable Equipment	403
References	406

Chapter 13: Information for the Elderly Dental Patients

Post-Oral Surgery Instruction.....	408
Dental Caries (Tooth Decay)	410
Periodontal Disease (Gum Disease)	411
Recurrent Aphthous Stomatitis (Recurrent Ulcerations of the Mouth, Canker Sores).....	412
Ulcerative Diseases of the Mouth	413
Herpes, Herpes Simplex (Cold Sores).....	414
Candidiasis (Yeast Infection).....	415
Burning Mouth	416
Xerostomia (Dry Mouth)	417
Glossitis (Tongue Inflammation).....	418
Hairy Tongue	419
Geographic Tongue	420
Median Rhomboid Glossitis.....	421
Patients Receiving Chemotherapy and Radiotherapy	422

Chapter 14: Self-Assessment Questions423
