

PAYMENT OF FOLLOW-UP CARE RELATED TO TODAY'S FREE TREATMENT

Treatment rendered to your child today is free of charge as a community service by the Ohio State University College of Dentistry. Your child may have other dental needs and should you desire, may be seen at the College of Dentistry Pediatric Dentistry Clinic. By signing below, you acknowledge that you will be responsible for payment for all future dental treatment for your child at the normal and customary fees of the College of Dentistry, if you choose to continue with care here.

In the unlikely case that your child has a problem with today's treatment, he or she can be seen at the College of Dentistry Pediatric Clinic during regular hours to address that problem free of charge. The Clinic phone number is 614-292-2027. After hours, you should also call 614-292-2027 and follow the instructions on the telephone message.

Care provided by any other source related to today's free care will be the responsibility of the parent or legal guardian for payment of services rendered.
